

# TOURNAMENT SERIES RULES

## FIFA RULES APPLY IF NOT MODIFIED WITHIN BELOW

**REGISTRATION:** Quickfoot Tournaments are USYSA and USASA sanctioned tournaments and must follow the guidelines and rules set by each State Association. Please consult the specific city web page at <a href="https://www.quickfoot.com">www.quickfoot.com</a> to find out specific rules on guest players and non-USYSA teams/players for the city you are registering for. For non-USYSA players, you are required to purchase a temporary registration for the event. Every effort should be made to create teams from existing USYSA rosters, however should a team be formed that is not from a USYSA roster, each player will be required to purchase temporary registration for the event. **Cost is \$5 per player**. When registering your team with Quickfoot, team names must be appropriate in language and should include the city of origin and/or coaches name, in case there are multiple teams within a division with the same name.

All Players Must Have Proof of Age (i.e. birth certificate, driver license, passport, or State Association issued player cards) and be prepared to provide it to any Tournament Official (you do not have to turn your proof of age at check-in). Any player found to have falsified age will be dismissed from the tournament and said team may be subject to penalty including forfeit of games.

Quickfoot Rosters must be turned in BEFORE YOUR FIRST GAME. FAILURE TO DO SO WILL RESULT IN A FORFEIT. Only those players listed on the Quickfoot Roster can play in the tournament. Any changes to your roster must be made prior to the START OF YOUR FIRST GAME. A player may not be added to the roster after the first game (i.e. if a player cannot make your first game but will be arriving for games after, that said player must be on the roster before the first game or he/she will not be allowed to participate). A player may play on 2 different teams that are not within the same division, but said player may not play down in age or skill level (i.e. said player is on Team A in U9 rec. The player is allowed to play in U10 rec if the 2 divisions are separate).

## TOURNAMENT FORMAT

**U4-U10** will play 3v3 on 30yd x 20yd fields. The goals are 3 ft. tall by 5 ft. wide. The goalmouth consists of an 8 ft. radius semi-circle crease chalked in front of each goal. Games will consist of two 12 minute halves separated by a 2 minute halftime or the first team to reach 12 goals, whichever comes first. Teams may consist of a maximum of (6) players only. Three players will be on the field at a time. There are no goalkeepers. A team must have a minimum of 2 players on the field to start the game.

**U11-U14** will play 4v4 on 40yd x 30yd fields. The goals are 3 ft. tall by 5 ft. wide. The goalmouth consists of an 8 ft. radius semi-circle crease chalked in front of each goal. Games will consist of two 12 minute halves separated by a 2 minute halftime or the first team to reach 12 goals, whichever comes first. Teams may consist of a maximum of (8) players only. Four players will be on the field at a time. There are no goalkeepers. A team must have a minimum of 3 players on the field to start the game.

**U15-Adult will play 3v3 on 40yd x 30yd fields**. The goals are 3 ft. tall by 5 ft. wide. The goalmouth consists of an 8 ft. radius semi-circle crease chalked in front of each goal. Three players will be on the field at a time. There are no goalkeepers. A team must have a minimum of **2** players on the field to start the game.

**SKILL LEVEL:** Teams are placed in divisions based on their players' competitive experience. Teams that have one or more players with competitive or academy experience will be bracketed in the competitive or academy division. A team that qualifies as a recreational team at a qualifying tournament will be considered a recreational team at the Tournament of Champions. In effect, if a team qualifies before they play competitive soccer than they will play in the division they have qualified. **In certain circumstances where there are less than four teams in any given age group or skill level, your team could be flighted to the next highest age group and/or skill level.** 

**DIVISION BRACKETS:** Every team is guaranteed (3) games scheduled. Pool play will be set up as follows, and based on number of teams in each division.

# **#Number of Teams in Division: Explanation**

- 4 Each team plays all other teams in pool. Top 2 advance to Division Final.
- **5** Each team plays all other teams in pool. Top **2** advance to Division Final.
- 6 Each team will play 3 other teams in pool. Top 2 advance to Division Final.
- 7 Each team will play 4 other teams in pool. Top 2 advance to Division Final.
- **8** Each team will play **3** other teams in pool. Top **2** in each pool advance to Semi-Final. Winners of Semi-Final advance to Division Final
- **9 or More** Each team will play **4** other teams in pool. Top **2** advance to Division Final if Division is not even number of teams.

GAME TIMES/SCHEDULES: Teams must report to their scheduled field 10 minutes prior to game-time. A team will be subject to forfeit the game if not ready to play no more than 5 minutes after scheduled start time, at the discretion of the referee or Tournament Director. IT IS THE RESPONSIBILITY OF THE COACH OR TEAM CAPTAIN TO CHECK THE SCHEDULE FOR ANY CHANGES THE FRIDAY BEFORE AND DAY OF THE TOURNAMENT. YOU WILL NOT BE NOTIFIED OF ANY CHANGES.

**TEAM UNIFORMS:** All players must wear like jerseys during play. Each team must bring both light and dark colored jerseys **WITH NUMBERS**. **During pool play** home teams must change in case of color conflict. The home team is the first team listed on the schedule. **During playoffs**, the higher seed will have the option of color. **SHIN GUARDS ARE MANDATORY**.

## PLAYING RULES

**No Offsides** in 3v3 or 4v4

**No Slide Tackling** except to intercept the ball from going out of bounds or into the goal. No contact can be made with the opposing players while sliding for the ball. If contact is made when sliding for the ball, it could warrant a yellow card based on the referee's discretion.

**No Heading of the Ball** will be allowed for **U4-U10** age groups. If an infraction occurs the opposing team will be awarded an indirect kick.

**No Parents or Coaches** will be allowed behind the goal. Only one person from either team will be allowed behind each goal. Absolutely no coaching will be allowed from said person. Violation can result in a possible field ejection at the referee's discretion.

**Kick-Ins** will be used in place of throw-ins.

**Goal Kicks or Corner Kicks** will be awarded if the ball travels over the end line. In 3v3 & 4v4 goal kicks may be taken from any point along the end line.

**Kick-Offs** may be taken in any direction. A team cannot score directly from a kick-off) ball must be 100% over the mid-line to be considered on the offensive half of the field).

**Dead Ball Restarts** including corner kicks and fouls are indirect. In all dead ball situations, defending players must stand at least 5 yards away from the ball. If the defensive player's goal area is closer than 5 yards away, the ball shall be place 5 yards from the goal crease in line with the place of the foul.

**Penalty Kicks** shall be awarded if, in the referee's opinion, a scoring opportunity was nullified by the infraction. It is a direct kick taken from the mid-line with all players standing behind the mid-line.

**Substitutions** may be made on any stoppage of play, except free kicks or penalty kicks. Teams must gain the referees attention before making a substitution.

**Game Balls** are to be provided by each team.

Crease Rule for 3v3 & 4v4: Players cannot stand inside the crease. Players may pass through the crease; however there cannot be any contact with the ball inside the crease. Any part of the ball or player's body inside the plane of the crease is considered in the crease and an extension of such. If the defending team touches the ball in the crease, the offensive team will be awarded a goal. If the defending team touches the ball while the ball is outside the crease but their body is inside the crease (extension of such) the offensive

team will be awarded a goal. If an offensive player touches the ball within the crease, a goal kick is awarded to the defensive team. If the ball comes to a stop inside the crease and the play is ruled dead, a goal kick is awarded to the defensive team. The plane of the crease extends upwards.

Quickfoot recommends as "Crease Courtesy", that a coach DOES NOT place a player on the crease edge throughout the duration of the game as defensive strategy. Quickfoot is a wonderful learning opportunity for both coaches and players alike and we feel "Crease-Tending" is not teaching proper soccer tactics. This is only a recommendation and is NOT a Quickfoot rule. There will be no penalty called.

Scoring a goal may be scored only from a touch (offensive or defensive) within a team's Offensive half of the field. A score from an offensive player may be scored when the ball is completely on the offensive half of the field and cannot be touching the mid-line. If a player in their defensive half kicks the ball across the mid-line and the ball hits another player (offensive or defensive) and the ball goes in the goal, a goal will be awarded. If a goal is scored from the defending half of the field without touching any player (offensive or defensive), a goal kick is awarded to the opposing team. Own goals, whether the ball started on offensive or defensive side of the field, will count as a goal.

#### POINT STANDINGS

**Points** will be based on a **10** point scale: **6** points for a win, **3** points for a tie, and **0** points for a loss, plus **1** point for each goal scored up to **3** and **1** point for a defensive shutout. **9** points will be given for forfeits in pool play. A forfeit must be approved by the Quickfoot Tournament Directors before the game is considered an official forfeit. The Tournament Director has the option to replay a forfeited game if deemed necessary and if field space is available.

Referees will provide the winning coach the scorecard, which must be turned in to the Quickfoot tent IMMEDIATELY following the game. A team may be subject to penalty resulting in forfeit of that said game for failure of turning scorecards in on time.

## **OVERTIME RULES**

Games ending in a tie will be considered a tie, except during playoffs, where there will be (1) five minute "sudden death-golden goal" overtime period. A coin toss will decide kickoff and direction. The first team to score during that period will be declared the winner. If the game is still tied after the 5 minutes, penalty kicks will be taken to determine a winner. The players from each team that were on the field at the end of the overtime period will alternate taking the penalty kicks. The team that has scored the most penalty kicks at the end of the round wins. If it is still tied at the end of the round, the same players will rotate in a "sudden death" penalty kick format until a winner is decided. The second team to kick will have a chance to tie if the first kicking team scores first in "sudden death."

## TIE BREAKS

# Ties between 2 teams will be broken by:

- 1) Head to Head results between teams
- 2) Number of Shutouts in pool play
- 3) Goal differential in pool play (total difference in each pool play games, i.e. Team A won 8-4, their difference is +4)
- 4) Goals against in pool play (total allowed in all pool play games)
- 5) Goals scored in pool play (total scored in all pool play games)
- 6) Coin toss (Done by Quickfoot Tournament Director. One team will be chosen as heads, other team as tails. Coin toss is won by whichever it lands on. Coin toss is Best 2 out of 3)

# Ties between 3 or more teams will be broken by:

- 1) Number of Shutouts in pool play
- 2) Goal differential in pool play
- 3) Goals against in pool play
- 4) Goals scored in pool play

5) Coin toss (Done by Quickfoot Tournament Director. One coin will be tossed by each team simultaneously. The 2 teams that land with the same face, heads or tails, will move on to the next coin toss if another coin toss is needed. If all 3 teams land with the same face, we will redo the coin toss)

# **CAUTIONED PLAYERS (YELLOW CARD)**

**Players** that receive **2** yellow cards in one game will result in a red card (Please see red card rules). Any player accumulating **3** yellow cards during a tournament will automatically be suspended for their next game (NO EXCEPTIONS).

# PLAYER EJECTIONS (RED CARD)

**Referees** have the right to eject a player, coach, or parent/spectator from the game. If a player on the field is ejected, the team must complete the game minus 1 player on the field (i.e. 3v3 would have to play with 2 players). Substitutions may still take place, but the offending team will still be minus 1 player on the field. The player receiving the red card will automatically be suspended for their next game (NO EXCEPTIONS). Players, coaches, or parents/spectators who are ejected by the referee must leave the field and area around the field in a timely manner. The game will not restart until the offending player, coach, or parent/spectator has been removed, yet the game clock will continue. If a player, coach, or parent/spectator refuses to leave, the game may be forfeited in favor of the opposing team. All referee decisions, in this matter, are **FINAL**.

## PROTESTS/DISPUTES

No protests will be allowed when referring to a Referee's "judgment call" and all games will be considered final in this circumstance. The Quickfoot Tournament Director will resolve any situation not explicitly covered by the rules. The Quickfoot Tournament Director will also resolve any "Rule Interpretation Violation" made by the Referee. Disputes relating to the interpretation of the rules will be resolved with the Administrator/Coach that is registered with the involved team(s) only. Individual parents or fans of the game may not represent a team if not registered as an Administrator/Coach with the involved team(s). If a "Rule Interpretation Violation" does occur, a formal protest must be made by the Administrator/Coach of the team protesting before the game ends and the protest will be resolved within 15 minutes after the game ends. Videotape will not be allowed as a form of protest or decision review. Initial protests are NOT accepted after the game is completed.

# WEATHER RELATED ISSUES

Quickfoot Small-Sided Tournament Series reserves the right to modify, reschedule, or cancel the tournament due to inclement weather. The Quickfoot Tournament Director has the right to move or reschedule games, as well as the right to shorten game times. In case of bad weather, please check the website for updates. If weather cancels a tournament prior to the start of the first game, a maximum of fifty percent (50%) of the teams entry fee may be retained by the tournament to cover start-up cost of the tournament. The tournament will most likely be rescheduled to a later time. If a team cannot make the rescheduled date, you may be credited to a future Qualifying tournament. Only 50% of the team entry fee will be retained by the tournament to cover start-up cost. The other 50% will be returned to the coach/captain within 60 days of the tournament date.

# THE QUICKFOOT TOURNAMENT DIRECTOR WILL HAVE FINAL SAY IN ALL DISPUTES AND INTERPRETATIONS OF THESE SAID TOURNAMENT RULES.

We support GOOD SPORTSMANSHIP and feel it should be displayed by players, coaches, and spectators at all times. Abuse of the referees and even staff will not be tolerated, and could warrant disciplinary action including up to disqualification of the offending person and/or team from the tournament.
